The complete lighting solution provider

Tourism has been on the rise in the past few years, with estimates for global tourism reaching 1.4 billion by 2020. The MENA region is moving up the ranks quickly, having welcomed an estimated 73 million visitors in 2018, making it one of the world's top travel destinations. This has generated a boom in tourism related construction projects, with the biggest emphases being on hotels out in the industry, and supply more hotels with their lighting requirements than any other single supplier.

Some of the hotel and resort chains supplied by Huda Lighting include Bvlgari Resorts, Palazzo Versace, The Address, Four Seasons, Sofitel, Le Royal Meridien, Fairmont, Marriott, Rosewood, W Hotels, The Oberoi, Hyatt Regency, and more.

Huda Lighting's wide range of products and services, make it more of a lighting solution provider, in many cases offering turnkey solutions for lighting, automation systems, wiring devices and other relevant products. Its consistently growing list of project references and corporate clients can only demonstrate the level of professionalism Huda Lighting has reached.
